

Scorpion[®]
MAG
Protective Eyewear

Scorpion[®] MAG strikes... from near and far.

According to the Bureau of Labor Statistics, the number of Americans between the ages of 55 and 64 will increase by nearly 30 percent over the next decade. Thanks to this aging 'baby boomer' generation, employers can no longer simply ignore the condition of their employees' eyesight. That's where **Scorpion MAG** comes in.

Available in five diopter strengths, **Scorpion MAG** is a bifocal safety glass that provides more flexibility in the types of tasks able to be performed – helping to reduce eyestrain and improve compliance.

Plus, **Scorpion MAG** protective eyewear is second to none in comfort, offering adjustable length temples, ratcheting temples, a 'finger-tip' nosepiece, and a Scorpion's Tail retainer – FREE!

**Now Available
in a 3.0 Diopter!**
