

# StanSolv AF-18

## > Light weight for standard chemical protection

- Excellent dexterity, due to the suppleness of the glove
- Flock lining offers added comfort and absorbs perspiration during extended wear
- Unique Z-pattern grip provides an excellent grip, even on hard-to-grasp materials.

### Automotive/mechanical industry

- Assembly of small oily parts
- Assembly of small, oil and grease free parts

### Chemical industry

- Common handling Tasks
- Handling and transporting chemicals (solvents)
